*Coatings* (ISSN 2079-6412) is an international, peer-reviewed and open access journal devoted to the science and engineering of **coatings, thin and thick films, surfaces and interfaces**.

## Keywords:

Thin and thick films; Coating deposition and modification; Characterization; Functional coatings; Wear, corrosion, and erosion; Film materials; Theoretical and computational modeling of surfaces and interfaces; High surface area systems.

---

## Submission System SuSy:

Your post-conference papers are welcomed to a Special Issue “**Science and Engineering of Coating**” on *Coatings*. Manuscripts can be submitted by MDPI’s online submission system **SuSy** ([www.susy.mdpi.com](http://www.susy.mdpi.com)). You can track your manuscripts’ status, upload comments to reviewers, and re-submit your revised manuscripts via SuSy. Please **select the Special Issue** when submitting. **Please ask the office and editor if any questions.**
